Materials research

“A refined Spring Summer 2026 sneaker collection defined by sophisticated leathers, natural textures, and soft, comfortable materials.”

- **Calf skin - Suede:** Calf leather with a suede effect, obtained from the inner side—soft, elegant, but more delicate.
Pelle di vitello, effetto scamosciato, ottenuta dal lato interno, morbida, elegante ma più delicata.
- **Goat - Madras / Capra:** Lightweight, naturally grained leather known for its flexibility, softness, and distinctive irregular texture. Defined by its natural beige edge.
Pelle leggera e naturalmente granata, nota per flessibilità, morbidezza e texture irregolare distintiva. La caratterizza lo sfilo natuale beige.
- **Sheep - Soft Leather / Nappa:** Smooth and soft sheepskin leather, lighter than calfskin, with a natural finish—durable and pleasant to the touch.
Pelle liscia e morbida di ovino, più leggera del vitello, con finitura naturale, resistente e piacevole al tatto.
- **Calf Vegetable Tanning / Vegetale:** Vegetable-tanned leather is natural, strong, and durable, made using plant extracts that enhance its color and aging process.
Pelle conciata al tannino è naturale, resistente e durevole, ottenuta tramite estratti vegetali che ne esaltano colore e invecchiamento.
- **Calf Leather / Vitello:** Smooth and durable calf leather with a finish that enhances the material's natural appearance.
Pelle di vitello, liscia e resistente con finitura che rende l'aspetto del materiale più naturale.
- **Nylon:** Smooth and lightweight fabric with excellent mechanical properties such as wear and abrasion resistance.
Tessuto liscio e leggero con ottime proprietà meccaniche come resistenza all'usura e all'abrasione.
- **Jacquard:** Traditional woven fabric with raised patterns that give the material a refined and elegant look.
Tipico tessuto creato a telaio con motivi in rilievo che donano al materiale un aspetto nobile.
- **Linen / Lino:** Premium and durable plant-based fabric. This fiber is known for its lightness, freshness, and softness.
Tessuto di origine vegetale pregiato e resistente. Questa fibra è caratterizzata da leggerezza, freschezza e morbidezza.
- **Glitter:** Fabric with a shiny surface, created by applying reflective particles to a textile base for a luminous effect.
Tessuto con superficie brillante, ottenuta applicando particelle riflettenti su base tessile, per un effetto luminoso.
- **Technical fabric / Tessuto:** Fabric made of a lightweight, breathable mesh.
Tessuto composto da una rete leggera e traspirante.
- **Canvas:** Cotton fabric, fresh and lightweight, characterized by a tightly woven texture.
Tessuto di cotone, fresco e leggero, caratterizzato da un intreccio a trama fitta.
- **Chamois / Camoscio:** soft and flexible sheep leather with a velvety feel, obtained from the inner side of the hide.
Pelle di ovino morbida e flessibile, dal tatto vellutato ottenuta dal lato interno della pelle.
