

A man with short dark hair and sunglasses is sitting on a dark wooden armchair with olive green cushions. He is wearing a short-sleeved button-down shirt with a vibrant tropical print of palm leaves and birds, over a light green ribbed polo shirt. He is also wearing dark blue shorts and light blue high-top sneakers with white laces and white socks with yellow and navy stripes. He is sitting on a grassy bank next to a river. In the background, there is a large red wooden bridge and a historic town with yellow buildings and a church tower under a blue sky with light clouds.

SLOW DOWN PHILOSOPHY

SLOW IS FAST

An intrinsic value in our products in which we want you to find our culture and identity. Why relocate when we have the best in textile manufacturing just a stone's throw from home?

ACT LOCAL

We support local businesses and our local area by promoting a short supply chain made up of the highest quality and experienced suppliers and collaborators. Everything takes place just a few kilometers from our headquarters.

DO THE RIGHT THING: sustainable processes and raw materials

Our commitment to the environment: use of sustainable raw materials and production processes:

- Eco-sustainable dyeing: dyeing and finishing take place with the least possible use of water resources optimizing waste.
- Recycled fabric: is a special fabric that contains a portion of recycled material.
